

What is Pellowah?

Pellowah is a non contact system for channeling healing energy and expanding your consciousness. It is considered to be a high vibrational alternative to Reiki healing.

Who can benefit from Pellowah?

There are many benefits to experiencing Pellowah. These healing energies typically enable you to feel energized and refreshed. They promote an inner sense of well being and help keep you centered.

Pellowah keeps you connected with your inner self, maintaining clarity. Giving you the confidence to live your life beyond your imagination. It will clear your meridians and help the energy flows. Balancing the chakras and helping treat the root causes of issues rather than treating the symptoms.

Pellowah can be used to help children and pets. Most clients will feel drawn to experience Pellowah.

Mind & Body healing.

Pellowah can be used on anyone who wishes to expand their consciousness. These energies work on both the mind and the body. They can create a deep-seated shift in the way you look at life. Pellowah works on a spiritual level and has the ability to break recurring repetitive patterns that have kept you stuck and feeling unfulfilled.

Pellowah is working with your consciousness, and will bring whatever shift is required at the time of the session.

Distance Healing.

Pellowah practitioners recognize that these healing energies can be channeled very effectively to clients all over the world, in real time.

The client is expected to lie down in a quiet, subtly lit place for an hour. This will enable the energies to more effective.

After receiving a Pellowah healing it is important that the energy be allowed to settle within you and do what it needs to do.

You are also recommended not undertake any other form of healing, spiritual coaching or counselling for 24hrs after the session. Rest and drink plenty of water to receive the full benefits of Pellowah.

Cost

Pellowah Healing 1 hr

Distant Healing 1 hr

The healing is an individual experience

The practitioner is a conduit for the transference of the energy to facilitate the healing.

No music, sound, incense or light is required during the healing.

I had the pleasure of some Pellowah distance healing from Black Tree School. Really relaxing, it was really strong, I felt movements of the energy up and down my body.

*Thank you Eunice & Mark.
Nina (Faro - UK)*

The healing was timely and really helped so much. It cleared a few levels. What a beautiful energy my heart was wide open and all melting. Done over distance but never took away it's potency.

James. (Faro-UK)
